

equipschools

Partnering with schools to equip students with the mindsets, skills, and strategies they need to succeed at school and beyond

Workspace Elements

Element	Action Required
Desk – your own desk in your own space setup for you to work. Need to tidy your desk/drawers?	
Chair – not too comfy, not too hard	
Private Location – you want a space that is private where you can get uninterrupted work done	
Lighting - poor lighting strains your eyes and makes you tired	
Resources – you need your materials close by and a desk full of stationary. Need to get a pencil case, paper, small bookcase?
